### November 7, 2006 - Tuesday

8:00 - 8:30 Registration

8:30 - 8:35 Welcome

*Tim Keeney, Deputy Assistant Secretary for Oceans and Atmosphere, NOAA*

8:35 - 8:50 (#1) Introductions, Adoption of Agenda and Approval of Minutes

- Introductions
- Meeting Logistics
- Adoption of Agenda
- Approval of May 24-26, 2006 minutes
- Review of Action Items from May Meeting

8:50 - 10:15 (#2) Rapid Response

The intent of the day's focus on 'rapid response' is to get the ANSTF and other attendees thinking about what steps need to be taken to improve the level of preparedness and capabilities to mount an effective response to a report of a nonindigenous and potentially invasive species. Presentations are 15-30 minutes and will be followed with Q&A as time allows. The afternoon session will build on this as breakout groups will look at various elements of the response and recommend follow-on actions for consideration by the ANSTF.

#### Presentations & Discussion

- (1) *What is 'rapid response'? Develop a working definition. (ANSTF)*
- (2) *National Framework for Early Detection, Rapid Assessment and Rapid Response to Invasive Species (Sharon Gross / USGS)*
